

Sidney Memorial Public Library	Manual Name: Public Policies
Policy Name / Version: Food and Drink Policy	Date Effective: 9/9/2020
Section: II F	Date Approved/Revised: 9/8/20
<p>Food and Drink Policy</p> <p>Food and drink are strictly prohibited at the library's computer workstations or near any library electronic equipment, in the Swiss Room, the Public Computing Center, and in the stacks areas. Snack foods and drinks in spill-proof containers or capped bottles are allowed at library tables and seating not associated with stacks or electronic equipment, and also in the library meeting room, staff areas, and the kitchenette at the discretion of library staff.</p> <p>Eating and drinking should not disturb other patrons. Should we receive complaints regarding a patron's eating or drinking, they will be asked to remove the items from the library.</p> <p>If your food or drink makes a mess, please be considerate and clean up after yourself. If you damage library furnishings, equipment, materials, or property while eating or drinking, you are financially responsible for the repair or replacement of the damaged items. (Approved 9/20)</p>
